

Subscription Form

Rates 2025

To subscribe to the PPCHEM® journal, please fill in this form and check the appropriate boxes. The rate given below is for a subscription **for one year**. The PPCHEM® journal is published 6 times a year.

At the beginning of 2026, we will launch a new online platform for the journal, where new subscription options will be introduced. A smooth transition will be implemented for all existing subscribers.

Until the end of 2025, the PPCHEM® journal is available for purchase as an Online Access subscription. This subscription provides full digital access to each issue through our website. Subscribers can read the journal using an e-reader and/or download entire issues or individual articles as PDF files. Online Access is available as a 12-month subscription.

Please note that an Online Access subscription requires acceptance and signing of the license agreement, which can be found on our website.

Organizations such as utilities, suppliers, research institutes, and universities may order multiple Online Accesses. Please contact us if you want to find out more about subscription rates for organizations. If you are not sure whether your organization already subscribes to our journal, please contact us and we will check our database.
